## SERVE MORE

- Online ordering attracts millennials, the largest living generation in the US--and millennials overwhelmingly prefer to order food online. And if you don't have online ordering, you are losing sales to your online ordering-enabled competitors!

## SELL MORE

- Industry statistics show that online orders are 18% higher on average than orders taken by phone or at the counter

## EARN MORE

- Unlike many online ordering services that take a percentage of the order and/or charge fees that are based on usage, we *only* charge a low flat monthly fee--with unlimited use!

## UPHOLD YOUR BRAND

- Our online ordering platform is CUSTOM DESIGNED to your brand; your theme...your colors...your logo...your tag line... basically, your everything!
